But are women, as a general proposition, bad losers? It is they who bear in the end the losses which the masculine speculator accepts with such outward cheerfulness.

Women in countless instances see the man they have sworn to love, honor and cherish fall by the wayside, yet they stick to him. They see the family fortune swept away by some impredence not their own, but of which they suffer the inching consequences. They endure pain, disease, the loss of children, the blasting of social ambitions, as few men can endure such inequalities of fortune, and indeed play a losing game with a fortitude that commands masculine respect.

As a general thing it may be said that women put up with failure much more than they put up with success. There would be more truth in the converse statement that they make bad winners.—New York World.

CHILDREN INJURED

Ordinary Cathartics and Pilis and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentiest bowel medicine should over be given, except in emergency cases. Ordinary pills, Called To Meet at Frankfort Febru- Man With Sore Feet Spends cathartics and purgotives are not to do more harm thon good. They may cause griping, nausea and other dietressing after-effects that ere frequently besith-destroying.

I personally recommend and guerantee Rexnii Orderiles as the safest and most dependsble remedy, which I know, for constipation and associate bowel disorder. I have such absolute faith in the virtues of this remedy that I sell it on my guerentee of money back in every instance where it fails to give entire satisfaction, and I arge all in need of ench medicine to try it at my risk.

Rexall Orderlies are eaten just like candy are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhose, nensee, griping, expessive looseness, or other undesirable effects. Conservation of Natural Gas

The much discussed waste of natural gas is stated by the United States Geological Survey to he rapidly decreasing. The problem of conserving the natural gas supply may be considered as having been sptisfactorily solved in Penusylvania, throughout the Appaiachian and the Lilma-indiana fields, and in Kansas. The greatest waste ie in Okiahoma and in the Cuddo field of Lonisians, owing in Oklahoma to probable looseness in enforceneut of the lawn and in Lonisiana to lack of market. It is noteworthy that one of the so wild wells in Lonisiana that have been ensational examples of waste have been saccessinity closed and the gos thue conserved or future nae.

THE PAGEANT TO BE SPECTACULAR

Historic Feature of "World in Cincinnati" to be Impressive and Instructive.

OUTLINE OF THE FIVE EPISODES

Many of the Thrilling and Dramatic incidents of the History of Minalons Will Be Re-enacted by Players at Exposition.

The Pageant of Darkness and Light is to be the most spectacular feature of the great Missionary Exposition, 'The World in Cincinnati," at Music Ilali, March 9 to April 6. The purpose of the pageant is to set forth the great historical events of missionary effort in an Instructive and inspiring

The costumes and spieudid scenery used at the first presentation of the Pageant in London, England, have been brought to Clucinnati for its production.

The five seenes which constitute the Pageant may be briefly summarized as

follows: Eplaode 1 .- The North.

The scene represents an Indian camp in the far Northwest. The chief and his wife are in distress at the loss of their little daughter, who strayed from the line of march three days ago. To the camp comes a band of Eskimos for trading purposes. The medicine man incites the braves to kill them. Just as they are about to do so a mis sionary, enters. He brings the chief's little daughter, whom he found straylng in the woods. Thus he gains the chief's good will and a hearing for his
